

Tour Tech Rider – ALPHONSE

Running Time: 70 Minutes

Cast

Cast = 1 – dressing room required

Venue Crew Required

Running Crew

- ✓ Lighting Board and/or Sound operator

Set

A playing space of 5 meters wide x 5 meters deep is required. A clean black floor is ideal—dance floor is acceptable. Black traveler is required upstage It will be specific to the grid height, or trim.

The following set pieces will travel with the show:

- 1 Ikea Table
- 3 fabric drops to be hung from the grid
- 1 popcorn dropper to be hung from grid and attached by thin rope and pulleys to the stage wings.

PLEASE NOTE – There will be a popcorn “rainstorm.” Which spreads popcorn liberally around the stage. Easy to sweep up after the show.

Lighting

Alphonse can usually work with existing venue lighting plot. We require one general open white or yellow tinted state, and one odd coloured and gobo state. We need 5 specials hung in the grid, plus 2 footlights, ideally P16 birdies on separate circuits on floor floats.

Sound

The following sound equipment must be supplied by the venue

- ✓ Playback capacity from a computer on Qlab
- ✓ Pair of full range speakers

Tech/Load in Requirements

We require a 4 hour lighting level session, and Q to Q. Additional hour for dress rehearsal
